TEN CENTS A WEEK.

TWO AMERICANS CONDEMNED WITHOUT TRIAL IN OLD MEXICO SAYS U. G. FERGUSON OF NEWARK

One Prisoner an Ohioan is Declared to be Absolutely Innocent of Mexican's Murder

Former Newark Conductor Spends Three Weeks in Investigating and Appeals to Uncle Sam for Justice---
Prisoners Shamefully Treated--American Ambassador Criticised--Ferguson Secures Affidavits.

Condemned without trial, Edward Stover, formerly of Akron, Ohio, and W. B. Speed, both American citizens employed as railway conductors, languish behind the bars of a filthy Mexican prison, suffering humiliation and inhuman treatment for the crime of murder of which at least one of the men is absolutely innocent. These men have for nine months been subjected to ill-treatment and have been imprisoned in solitary confinement part of the time without proper food or care.

This startling statement comes in a message just received from Grant Ferguson, a former Baltimore & Ohio conductor, of Newark, Ohio, who has been in Mexico for four months. Mr. Ferguson, who has personally investigated the case thoroughly, having spent three weeks in the work, unqualifiedly declares that Mr. Stover is innocent. Mr. Ferguson has taken the case up with the United States government which has promised a full investigation. Mr. Ferguson has sent full reports of the case by telegraph and letters to Senators Foraker and Dick, and to United States Ambassador Thompson at the City of Mexico, and with these voluminous reports is a set of resolutions adopted by the Comanjville Division 587, Brotherhood of Locomotive Engineers.

Grant Ferguson, the former Newark man, who has interested himself in this case, placing all the evidence in the hands of Senators Foraker and Dick, who have in turn sent it to Secretary of State Root, writes Senator Foraker in part as follows:

FERGUSON'S STATEMENT.

The case boiled down is this: On the night of July 22, 1906, at a railroad eating house at Cardenas, there occurred an imbroglio in which some Mexicans and Americans were engaged, the result of this being that one of the Mexicans, a fireman, was killed. Immediately thereafter two Americans, Ed Stover and W. B. Speed, both conductors on the Central Railroad of Mexico, were arrested; they were incarcerated incommunicado for thirteen days, without beds or bedding, and almost without food, and were kept there in a wretched condition without being allowed even counsel, for a long period.

The work which I am sending you represents three solid weeks of my own time. I have done nothing else but investigate this case, and the more I investigate, the more impressed I am with the fact that if anything is to be done to save the life of these men it must be done promptly.

Respectfully yours,
GRANT FERGUSON,
Aguascalientes, Mex.

ENGINEERS' RESOLUTIONS.

The resolutions recite the details of a fight in an eating house at Cardenas, State of San Luis Potosi, Mexico, on the night of July 22, 1906, when a number of Mexicans tried to burn the Americans out of Cardenas. In this fight Angel Ogin, a Mexican fireman, who was the leader of the party of Mexicans, was killed and immediately afterwards two American conductors, E. Stover and W. B. Speed, were arrested for the murder, and these men have been confined in a Mexican prison in Alquenes, Mexico, for the past ten months. The engineers' resolutions declare that the prisoners never had a trial to prove their innocence. The judge holding malice toward all Americans, left the prisoners at the mercy of their friends and has never provided them with food, they having to buy even their own drinking water, in a Mexican dungeon.

The evidence, full of proof of the cruel and unjust treatment which has been accorded to Stover and Speed has been placed before the Department of State of the United States. (Continued on Page 4, col. 1.)

NEWARK'S LIVE ONES

ADOLPHUS SCHIFF.

Mr. Adolphus Schiff is one of Newark's most popular and successful merchants. Although he came to this city from Vincennes, Ind., only about seven years ago, his china and house furnishing business has grown remarkably.

Mr. Schiff was born in Hungary and came to America about 21 years ago. He is a skilled linguist, speaking Hungarian, German, Slavish and English languages fluently.

On first coming to Newark Mr. Schiff located in the room on West Main street now occupied by the Bon Ton millinery parlors, but on account of his rapidly increasing trade, it became necessary for him to remove to the present location, where he has two large store rooms. Mr. Schiff is a member of the Board of Trade and an active hustler for the Greater Newark.

On Thursday the 21st, we called upon Mr. McCleery, together with Sr. Orozco, and Mr. McCleery read the statement, but closed the interview with the mere statement that the embassy could do nothing, that the law was being properly proceeded with and that nothing more could be done.

The situation is this: One of these men, Stover, was not present during the fight and therefore could not have been guilty of the crime charged.

still he is held and has been held in a damp, dirty pest-hole during nine months, without a trial, and under such conditions as to make it absolutely impossible to secure a fair trial. This conclusion is the one arrived at by his own counsel, who is a Mexican lawyer.

There are only two Americans in the place where these men are held, and they are those who are in jail.

I, therefore, think it important that immediate steps be taken by our government to ascertain the exact facts, and to see that justice is done.

There can be no doubt that these poor men have been shamefully neglected by our government's repre-

sentative in Mexico, and I strongly plead that you give the matter your personal and prompt attention.

A fair idea of the condition of these men can be shown by the fact that Stover, when he was arrested weighed about 190 pounds, while now, though a man of large frame, he weighs but 125 pounds, and in my opinion, there is no doubt that his health has been permanently impaired.

Knowing your ability to delve to the bottom in matters of this kind, and feeling that in this serious mat-

ter not only the senator from my own state, but from the state of which Stover is a native, should be appealed to at this time and I know you will understand our position.

The work which I am sending you

represents three solid weeks of my own time. I have done nothing else but investigate this case, and the more I investigate, the more impressed I am with the fact that if anything is to be done to save the life of these men it must be done promptly.

Respectfully yours,

GRANT FERGUSON,
Aguascalientes, Mex.

FOUR ARE KILLED EIGHT INJURED IN B. & O. WRECK

ENGINES CRASH IN A HEAVY
FOG NEAR WHEELING THIS
MORNING.

ALL COACHES OVERTURNED

Nearly Every Passenger on the Ex-
press Train Was More or Less
Injured.

Wheeling, W. Va., May 7—Four were killed and eight injured in a wreck of the New York and Chicago express on the B. & O. at Bosby's Rock, 20 miles east of here this morning. The wreck was caused by a heavy fog, the engineer of the passenger train being unable to see the flagman the other train had out. The freight was just pulling into a switch when the passenger hit her.

The dead are:

Charles A. Warner, baggage mas-

ter. W. T. Thomas, Wheeling, fireman. J. L. Painter, express messenger. Chas. Christy, fireman. Trainmen badly injured:

W. W. Riley, Wheeling, engineer. M. L. Perkins, fireman. W. A. Hill, messenger.

Passengers injured:

Misses Carol E. Gimmers and Mollie Hill of New Jersey, C. R. Sterns, Chas. Scalpell, C. Gillespie. Nearly every passenger was slightly injured.

Both engines were smashed to bits, and all the passenger coaches were overturned.

WRECK ON PENNSY.

Marietta, May 7—A Pennsylvania passenger train was derailed fifteen miles north of here this morning. All the cars left the track. No one was seriously injured.

FRAUDULENT USE OF MAILED.

Fort Wayne, May 7—Elias Bartholomew of Toledo, was arrested here today on a charge of using the mail for fraudulent purposes. He was formerly president of the American Exchange bank at Pleasant Hill, Ohio, which closed two months ago. It is alleged that he has been issuing orders on this bank ever since. He agreed to return to Cleveland without protest. He denies having issued the orders.

BURNED TO DEATH

AGED AUNT OF SHERIFF SMITH
RECEIVES FATAL
INJURIES.

Nightgown Caught Fire and After
Hours of Suffering Death Comes
as a Relief.

Sheriff Smith L. Redman received a message Tuesday morning notifying him that his aunt, Mrs. Linnie C. Bell, widow of the late William R. Bell of Hopewell township, Muskingum county, had died Tuesday morning at 10:30 o'clock from burns received Monday night. Particulars of the sad affair are lacking, but it has been learned that Mrs. Bell, who is 72 years old, and has been a sufferer from asthma for many years, had arisen from her bed, it is supposed, about 10 o'clock, and had gone down stairs for some medicine when her night clothes caught fire from a grate. The screams of Mrs. Bell attracted her granddaughter, Mrs. Gracie Snider, and her husband with whom she lived. But by the time they reached the victim nearly all her clothing had been burned from her person. They wrapped her in blankets and smothered any remaining particle that might sustain flame, and also relieved the intense suffering of the frantic woman from whose flesh they kept as much as possible the air.

A physician was sent for who responded in a short time, and from the time he called until death relieved her sufferings at 10:30 o'clock Tuesday morning he applied soothing lotions and did all that was possible to relieve her suffering.

The funeral services will be held at the late home of the deceased on Thursday at 12 o'clock noon, sun time, and the interment will be made in the Asbury cemetery in Hopewell township.

CHICAGO STRIKE.

Chicago, May 7—A strike of bricklayers and hod carriers has tied up practically one-third of the building operations in the city. About 7,000 men are striking for Saturday pay days.

At Jackson, Ky., Tom Thorpe was killed by Walter Mullins. They quarreled over a crap game.

NEW HIGH SCHOOL PRINCIPAL

T. OTTO WILLIAMS.

Prof. T. Otto Williams, principal of the Circleville, Ohio, High school, has been elected principal of the Newark High school, being chosen from 74 applicants. Mr. Williams is a successful teacher, well educated and fitted for his position. He is highly recommended and is endorsed by Supt. Simkins and Principal Childs, who resigned to accept a college position at Asheville, N. C.

T. Otto Williams of Circleville, Ohio, Northern university, at Ada, O., from which he graduated, receiving the B. S. degree, and later the M. S. degree. During the latter part of the time spent in the university, Mr. Williams taught in the High school, reciting at the university before and after school hours. He has been connected with the Circleville High school five years, the first three as science teacher, the last two as principal of the High school. Within the past five years he has done considerable work in Ohio university, Athens, and University of Chicago. Mr. Williams' family consists of wife and four children, two boys and two girls.

WILL THE HAYWOOD-MOYER JURY BELIEVE THE PROSECUTION'S CHIEF WITNESS?

Boise, Idaho, May 7—Realizing that its strongest witness is an acknowledged self-confessed perjurer and murderer and that it will be a difficult task to convince the jury his evidence is worthy of credence, attorneys for the state in the Haywood trial will establish a new precedent in a major criminal action by calling him as one of its first witnesses. Ordinarily, witness of this magnitude would be reserved for the last hours, but Messrs. Hawley and Borah for the prosecution have decided it will be necessary to secure much corroboratory evidence to have Harry Haywood carry weight, so he will early repeat his "confession." Then other witnesses following are expected to show what he swears to is so.

The defense will have many witnesses, including boy and early manhood friends of Haywood on hand to impeach his credibility as a competent witness. They, it is averred, swear that from boyhood Haywood always was a monumental liar. As Haywood says, he planted the bomb which killed Stenenberg, and alleges he was paid to do it by Moyer. Haywood and Pettibone, it will be seen readily that the acceptance of his story will be the chief factor in the present trial.

The prosecution will call 33 witnesses in direct examination and have 12 for rebuttal. Counsel for the defense has not decided how many witnesses they will need until after the prosecution's case is closed. Today being an off day it is being spent by both sides in picking up all loose ends completing preparations for the legal battle. No matter how Judge Woods decides on the defense's application for a writ of particular Wednesday, the real work of selecting the jury will begin at 10 o'clock.

MANIAC MURDERS

SIX OF SEVEN OCCUPANTS OF
FLAT IN WHICH HE WAS
ROOMING.

He Was Rendered Temporarily Insane by Imaginary Grievances
and Ran Amuck.

San Francisco, May 7—Rendered temporarily insane by imaginary grievances, Walter Davis ran amuck with a shot gun in the flat in which he roomed this morning and killed six of the seven occupants.

The dead, O. F. Bush, wife and son Orson; Mrs. Lillian Carothers, W. S. Baird, and H. E. Vinton. The only person who escaped was Annie Bush, 17. Bush's head was blown off while standing before a washstand. His wife took refuge in a closet but Davis shot her to death. Orson Bush, Mrs. Carothers and Baird evidently were shot while asleep. Vinton is believed to have given the maniac a desperate blow. Davis died after a time and was finally captured by the police, aided by citizens.

NEGRO LYNNED.

Augusta, Ga., May 7—Chas. Harris, a negro, was lynched near White Oak camp grounds, in McDuffie county last night. The negro fatally shot Hardin, for whom he worked.

Andrew Burbridge, a negro clergyman, broke into the house of his divorced wife at Wichita, Kansas, fatally shot her and fled.

DAMAGE DONE BY TERRIFIC STORM IN TEXAS TOWNS

A CONSIDERABLE AREA OF THE
NORTHERN PART OF STATE
WAS INVOLVED.

MUCH PROPERTY WAS RADED

And Great Destruction of Crops and
Live Stock Has Been Reported
In Storm's Path.

Fort Worth, Tex., May 7—A considerable area of northern Texas was swept by windstorms, no less than 10 tornadoes being reported.

There were a number of lives lost and many persons were injured. Great damage to property and crops is recorded. Several villages were wiped out.

At the village of Antioch, or Pleasant Grove, as it is also called, the whole village was practically destroyed. Antioch is about seven miles north of Sulphur Springs. This is in the tornado belt, and most of the homes are provided with storm cellars. To this fact is due the escape of a number of those who were caught almost in the path of the storm. The home of William Lemmons was completely destroyed, entailing a loss of \$3,000. Three barns on the place were also destroyed, and many head of live stock killed. A renter on the place, named Barzil, was killed. Five of the Barzil children reached the cyclone cellar in safety, but Mrs. Barzil and two of the children were fearfully injured, and fears are entertained for their recovery. The home of James Ferguson was destroyed and Mrs. Ferguson was dangerously hurt by flying debris. Ben Pogue and his wife were badly hurt when their home was blown down, but it is thought they may recover. Mrs. Sid Luckey was hurt and will probably die.

Near Celina, Tex., a farmhouse was blown down and the son of the farmer, named Mizee, and a tenant, named Pack, were killed.

At Depot, one of the largest villages in Lamar county, 20 miles from Paris, the storm passed northeast cutting a path about 100 yards wide.

The business part of the town was not touched, the damage being in the residence portion, on the east side. The Baptist parsonage and other buildings were blown to pieces. Crops were badly damaged and many fences and barns were blown away. At Haleboro, in Red River county, the wife and child of Andrew Ball were hurt.

NO COMPROMISE SAYS SEN. DICK

Columbus, May 7—"Nothing in the way of a compromise between the Taft and Foraker forces is considered or even suggested," said Senator Dick today. Dick arrived in Columbus from Cincinnati and spent today conferring with his political lieutenants. He had a lengthy conference at the Hartman Hotel with Governor Harris and later met John Mallby. Senator Dick upon his return to Akron, will open headquarters and will be in active charge of the Foraker forces. Senator Foraker goes to Washington Thursday. With Harris, Dick, Foraker and Walter Brown opposed to holding primaries this year, the Foraker people believe they have won the first fight in the Ohio campaign for presidential endorsement.

WILL HOLD INQUEST ON BOY'S DEATH

Dover, Del., May 7—it is probable that an inquest into the death of the Marvin boy will begin on Thursday. It will be the most remarkable inquest ever held in this state. Nearly 100 witnesses will be called to testify, including the members of Dr. Marvin's family, the detectives who have been at work on the case, and practically everybody who can throw any light on the case. The coroner said that the inquiry into the death of the child would be most searching.

GRANVILLE NEWS

Granville, May 7.—Miss Ruth Daley, daughter of Mr. and Mrs. Alfred Daley of Granville, delightfully entertained a number of her young friends last Saturday afternoon and evening in honor of Miss Thelma Daley of Newark, it being her eighth birthday anniversary. The entire affair was a complete surprise to Miss Thelma. The afternoon was spent in games, music and other social diversions. A two course luncheon was served at a late hour in the afternoon. Those who enjoyed Miss Ruth's hospitality were Thelma Daley, Helen McMillen, Sarah Baroway and Helen Abbeau of Newark, Nellie Flory, Ruth Carpenter, Laura Orndorf, Daisy Orndorf, Elizabeth Evans, Dorothy Ackley, Ethel Miller, Edris Rose, Madie Sayre, Myrtle Duer, Edith Black, Neine Jones, Louise Ackley and Mary Bush of Granville. Those who were present will long remember the occasion as one of the pleasantest of their lives.

KORN-KINKS

Said Kornelia Kinks, "Now ain't it fine,
How de crowd comes round for dem cards of mine?
But dey aint to blame, for de cards am free,
And on every one dare's a joke by me."

To get your set of six beautifully printed and very comical Kornelia Kinks post cards in colors without advertising on them, send us four cents in postage stamps and two pictures of the man and the boy, cut from "Korn-Kinks" boxes. We are giving away these expensive cards to get people to try "Korn-Kinks," the new and delicious food of malted, flaked, toasted corn. You will be delighted with it. 5 cents at your Grocer's.

CITY COUNCIL HOLDS A MEETING

SCREEN ORDINANCE FOR NEWARK SALOONS FAILS OF PASSAGE.

A Number of Ordinances and Resolutions for Street Improvements Were Passed.

A short meeting of the City Council was held Monday night, but little business outside of the routine affairs was transacted. Mayor McCleery appointed A. R. Putzer as a member of the board of sinking fund trustees for a term of four years to succeed himself.

The mayor's monthly report for April was submitted showing that \$563.85 had been collected in fines, costs and licenses.

The tax commission reported that the tax levy as passed by the Council had been approved by them.

The screen ordinance which had been slyly prepared, was introduced by Councilman King. It provides for the removal of all screens, curtains and obstructions from saloon windows, on days and at hours when the saloons are supposed to be closed. It is almost an exact duplicate of the Columbus ordinance and was drawn up by the clerk of council at the request of Mayor McCleery the copy being made from the Columbus ordinance.

Councilman King's effort to get the measure passed on a suspension of rules lost by a vote of four to three. It will come up for its second reading at the next meeting.

A communication from the county commissioners approving of the annexation of the territory on the north was introduced by Councilman King. The ordinance was referred to the law committee.

A resolution declaring it necessary to improve Clinton street from St. Clair to Locust and Locust from Third to Stanbury by paving was adopted. The ordinance to transfer funds held by the public safety board, was passed. This means that Julius Juch will get his \$175 per year.

A number of improvement ordinances and resolutions were introduced. Most of these were of a minor nature.

CAUSE OF SKIN DISEASES

This is Little Understood, But Scientists Say That the Cure for Eczema Has at Last Been Found.

Miss Thelma received many beautiful and useful gifts from her little friends as tokens of their love for her. Mr. and Mrs. Isaac Smith of Columbus, who have been visiting at the home of Mr. and Mrs. H. G. Miller on Granger street for a few days have returned home.

Miss Margaret Talbot of Cleveland is visiting her sister, Mrs. H. G. Miller, at her home on Granger street.

A Significant Prayer.
"May the Lord help you make Bucklin's Arnica Salve known to all," writes J. G. Jenkins, of Chapel Hill, N. C. "It quickly took the pain out of felon for me and cured it in a wonderfully short time." Best on earth for sores, burns and wounds 25c at F. D. Hall's drug store.

Paints, oils, varnishes, glass and pottery, at NEWARK HARDWARE CO., 23 West Main st., successors to W. L. Whitecamp. 6-d-6t

RAILROAD NOTES.

District Passenger Agent F. P. Cooper of the B and O R. R., who has been making his home at Tiffin, Ohio, for some years, and whose headquarters have been in Newark, has sold his property to Tiffin and will remove his family to Columbus, where they will take up their residence.

Walter L. Robinson, who rooms at the Sherwood, and who is an expert on the B & O railroad, is transferred to a better position at Baltimore, Md., the change to take place at once.

W. H. Budd of Chicago Junction, who was the Democratic candidate for Congress in the Fourteenth district last fall, has resigned his position as conductor on the B. & O. and will engage in the restaurant business at New Castle, Pa.

WOLFE IMPROVING

Johnstown Tailor However, Was Badly Hurt by Jumping While Asleep from a Window.

Johnstown, O., May 7.—Merchant Tailor J. Edward Wolfe who was badly hurt Sunday morning by jumping while asleep from a second story window at his home here, is resting as comfortably today as could be hoped and the doctors are hopeful of

his recovery. Five ribs on his left side were broken and one shoulder.

Mr. Wolfe remembers of having had no dream, but he has been in the habit of walking in his sleep. He arose at 1 o'clock and while his wife was sleeping, plunged headfirst through a closed window to the ground 14 feet below. Mr. Wolfe is a heavy man, weighing 240 pounds. Mr. B. W. Baker, a neighbor, answered Mrs. Wolfe's call for help, but by the time he arrived Mr. Wolfe had crawled into the house. Dr. Rutledge gave the necessary surgical treatment.

THE CHICAGO SYMPHONY ORCHESTRA

A Great Organization Will Appear at the Newark Spring Festival This Season.

The Newark Festival Association has scored "thirteen" in obtaining the Chicago Symphony Orchestra for a concert in Newark on Thursday, May 24, at the Auditorium. This organization is even more highly priced than the Cincinnati Orchestra which has appeared twice before under the auspices of the Festival Association, costing, in fact, \$900. And yet the orchestra is offered at a very low price in connection with the other Festival numbers. All four numbers can be gotten for \$3 by purchasing a course ticket at Rawlings' music store. This also gives the right to reserve the course ticket before the public sale is opened. The Chicago Orchestra has traveled more than any other orchestra now on the road, and is this season making a tour to the Pacific coast. The director is Alex Von Felitz, the great song composer

VON FELITZ,
Director of Chicago Symphony
Orchestra.

who is in this country for the sole ability with the other great orchestras. That this orchestra compares favorably with the other great orchestras is shown by the following criticism from the Cincinnati Enquirer:

The Chicago Symphony orchestra gave a second concert at Music Hall last evening. The orchestra and soloists were accorded a most enthusiastic reception. The reception accorded the organization at both performances puts beyond doubt the success of the venture, and they may be looked upon as regular comers from now on.

The San Francisco Chronicle also compares it with other organizations as these press notices show:

When the Chicago Symphony Orchestra last night concluded the "Tannhauser" overture, the first number of its program, it was favorably established with the large audience that gathered at Metropolitan Hall. Certain it is that the fifty men who have come west for the series of concerts are first class musicians, well accustomed to playing together and in perfect sympathy with the director. The ensemble is compelling, rich in tone, in color and full of meaning and sympathy.

Nothing better in orchestral concerts than the two given yesterday afternoon and evening by the Chicago Symphony Orchestra at Metropolitan Hall has been heard in this city since the eighties, when Theodore Thomas raised his baton at Mechanics' Pavilion for the well remembered series of programs.

A paradox of flight also demonstrated by experiment is that the stronger the wind blowing against a certain form of curved wing-surface the less resistance does the bird offer to it.

One of the Important Duties of Physicians and the Well-Informed of the World

is to learn as to the relative standing and reliability of the leading manufacturers of medicinal agents, as the most eminent physicians are the most careful as to the uniform quality and perfect purity of remedies prescribed by them, and it is well known to physicians and the Well-Informed generally that the California Fig Syrup Co., by reason of its correct methods and perfect equipment and the ethical character of its product has attained to the high standing in scientific and commercial circles which is accorded to successful and reliable houses only, and, therefore, that the name of the Company has become a guarantee of the excellence of its remedy.

TRUTH AND QUALITY

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing, therefore we wish to call the attention of all who would enjoy good health, with its blessings, to the fact that it involves the question of right living with all the term implies. With proper knowledge of what is best each hour or recreation, or enjoyment, or contemplation and effort may be made to contribute to that end and the use of medicines dispensed with generally to great advantage, but as in many instances a simple, wholesome remedy may be invaluable if taken at the proper time, the California Fig Syrup Co. feels that it is alike important to present truthfully the subject and to supply the one perfect laxative remedy which has won the approval of physicians and the world-wide acceptance of the Well-Informed because of the excellence of the combination, known to all, and the original method of manufacture, which is known to the California Fig Syrup Co. only.

This valuable remedy has been long and favorably known under the name of Syrup of Figs—and has attained to world-wide acceptance as the most excellent of family laxatives, and as its pure laxative principles, obtained from Senna, are well known to physicians and the Well-Informed of the world to be the best of natural laxatives, we have adopted the more elaborate name—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of Syrup of Figs—and to get its beneficial effects always note, when purchasing, the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package, whether you simply call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna—as—Syrup of Figs and Elixir of Senna—is the one laxative remedy manufactured by the California Fig Syrup Co. and the same heretofore known by the name—Syrup of Figs—which has given satisfaction to millions. The genuine is for sale by all leading druggists throughout the United States in original packages of one size only, the regular price of which is fifty cents per bottle.

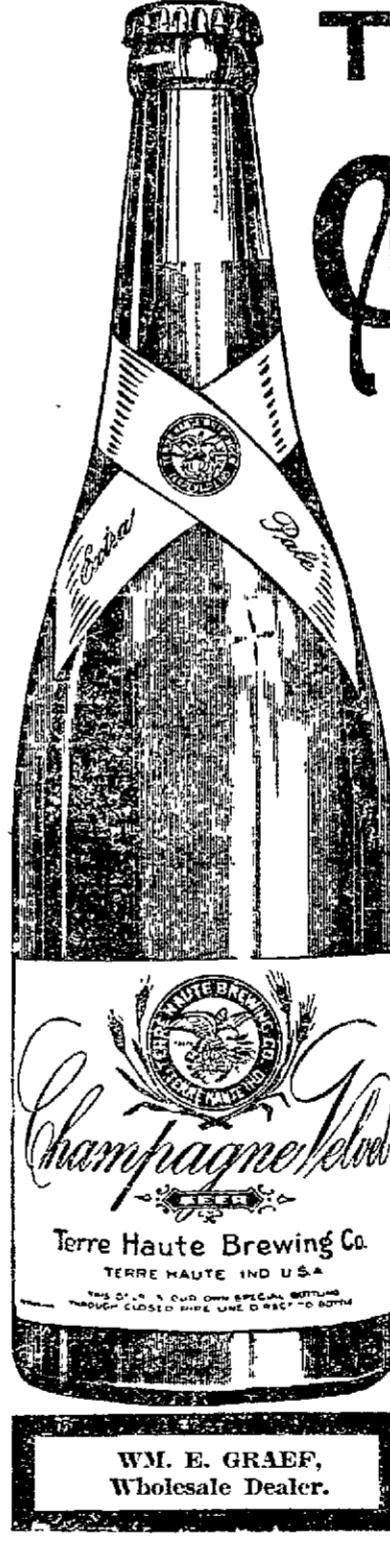

Every bottle is sold under the general guarantee of the Company, filed with the Secretary of Agriculture, at Washington, D. C., that the remedy is not adulterated or misbranded within the meaning of the Food and Drugs Act, June 30th, 1906.

CALIFORNIA FIG SYRUP CO.

San Francisco, Cal.
U. S. A.
London, England.

New York, N. Y.

THE BEER THAT HAS THE CALL IS CHAMPAGNE VELVET

This is evidenced by Government records, which, like figures, do not lie; it is evidenced by the imperative necessity of enlarging materially what is already the largest brewery in Indiana.

This steady increase in the consumption of Champagne Velvet is due to the appreciation of the public that it is the best bottled beer that has ever been placed on the market; it is a popular tribute to the superiority of Champagne Velvet over all other beers.

Champagne Velvet is the beer for you—the beer for your home. One bottle will satisfy you of this.

Annual Census.

The annual census of children eligible
for attending the local public
schools is being taken throughout
the city. A marked increase is
shown over the census taken last
year.

An Operation.

Miss Ethel Rex, who has been em-
ployed in a dry goods store in Cleve-
land for the past year, came home
about a week ago and had been oper-
ated on for the removal of a tu-
mor on her right arm.

Injured Man Taken Home.

James Milbert, who was recently
injured at Columbus and badly maimed,
was brought over to Newark on
Monday night, on B. & O. train 108,
transferred to train No. 8, and taken
to his home at Wheeling, W. Va. A
stretcher was used en route. The un-
fortunate man was accompanied by a
physician and several relatives.

Utica Commencement.

Commencement in the Utica High
school will be held on Tuesday even-
ing, May 28. The class of 1907 is
composed entirely of young men—a
circumstance entirely unusual. The
members are Lester Patton, Ralph
Geunton, Harold Stinson, Stanley
Sperry, Ray Conard, Roy Davison,
Maxwell Asford and Arthur Bell.
Steel in His Eye.Levi Bevard, residing west of
Newark, came to the city last night
and had six minute particles of steel
removed from his eye. Bevard was
filling a saw a week or more ago when
some of the filings found their way
into his eye. He suffered much painuntil relieved by the physician, Dr.
Elliott. He is now employed at
the site of the new water plant.

Elks' Meeting Tonight.

A class of candidates to be ini-
tiated commencing at 8 p. m., sharp
which will be followed with one of
their famous lunches. All Elks are
requested to be present.

Strained His Shoulder.

David L. Boyer, foreman of the con-
struction gang working on the new
building at the Jewett Car Works,
had the muscles of his left shoulder
severely strained while at work,
caused by lifting some heavy timbers,
and will be unable to work for a few
days.

Eye Operated Upon.

Frank Eagon, an employee of the
Licking Glass company of Utica, who
had his right eye badly injured sev-
eral days ago by a large sliver of
glass penetrating it, has been oper-
ated on by Dr. C. S. Morse of this city,
who reports his condition as most fa-
vorable.

Underwent Operations.

Mr. Alonzo Holtz, brother of County
Treasurer C. L. V. Holtz, of Madison
township, who underwent a very
painful operation two weeks ago, is
now able to be out superintending the
work on his farm. Mrs. Fred Voght,
who was operated on at the City Hos-
pital some three weeks ago, has been
taken to her home on Pataskala
street, very much improved.

Has Secured Position.

Mr. S. D. Johnson of this city, will
soon leave to accept a position with the
McCaugh Realty company of Rich-
mond, Ind., as one of their agents in
the sale of lots in various cities in the
United States. This company laid out
the Asher addition in the east end
of the city, consisting of about 123
lots of which nearly all are sold. Mr.
Johnson will not move his family
from the city.

New Law Firm.

Messrs. J. H. Miller and W. G. Pat-
terson have formed a law partnership
under the firm name of Miller & Pat-
terson, recently by Mr. J. R. Davies,
lately occupied by Mr. J. R. Davies.Mr. Davies goes into the new Trust
building. Both members of the firm
are graduates of the Ohio Northern
university law school and Mr. Miller,
who is especially well known here,
Licking county being his former
home, is a graduate also of Bethanycollege. Mr. Patterson has been prac-
ticing law at Wooster, O.

Condition of Calvin Smith.

The condition of Mr. Calvin Smith
of New York City, son of Mr. and
Mrs. W. A. Smith of this city, is said
to be improved. Mr. Smith under-
went an operation for a growth in
the throat.

Missionary Meeting.

The Woman's Mission Circle of the
Fifth street Baptist church will meet
Thursday afternoon at 2 o'clock at
the home of Mrs. A. J. Sanford, 251
Granville street. All ladies of the
congregation and their friends are
cordially invited.

Mr. Matticks Better.

Mr. John Moore of the Citizens'
Building Association received a let-
ter recently from Mr. David Matticks,
who is at Asheville, N. C., for his
health, stating that he will come
home to Newark next week. Mr.
Matticks reports that his health is
better.

Newark is Booming.

The city in the main is booming,
but building is not so brisk as formerly
on account of the prices of la-
bor and material. A prominent con-
tractor stated this morning that,
since 1900 the increase in cost from
the items mentioned above has been
fully 80 per cent.

Newark High School Principal.

Prof. T. Otto Williams, of Circleville,
who was on Monday night elected
principal of the Newark High
school, is known personally by
Principal Childs, who resigned to go
to Asheville, N. C. Prof. Childs
spoke very highly to the Advocate
Tuesday of Prof. Williams as a stu-
dent, teacher and man.

Mr. Schimpf's Accident.

Mr. F. J. Schimpf, a well known
young man of this city, was the vic-
tim of a peculiar accident Tuesday
by which he sustained injuries of a
very painful and serious nature. A
horse attached to the delivery wagon
of George Wright, a carpet cleaner,
fell down on ear street, immediately
in front of the residence of Mr. L.
Hirschberg. Mr. Schimpf, with others,
was endeavoring to assist the horse
to its feet, when the animal suddenly
sprang up, one of his feet striking
the left foot of Mr. Schimpf, and bad-
ly injuring it.

Hungarian Christmas.

The members of Newark's Hungar-
ian colony celebrated their Christ-
mas holiday yesterday and notice was
served on the various employers of
factory labor that they would not
work Monday. Fortunately for the
contractors, rain would have prevented
the operations Monday so the day
was not lost to them on account of
the holiday. Tuesday afternoon they
returned to their labors and gang
of men commenced digging the
trench on Locust street, east and
west of Fourth for the big 16 inch
main.

TWO AMERICANS

(Continued from page 1.)
and the engineers declare that the aforesaid judge, Luis G. Gomez, has malice toward all Americans and that has written in his court records false evidence as he thinks will plausible to convict the two pris-

ers. The engineers protest against the human and malicious treatment it has been suffered by Stover and Speed, and urge the United States government to take immediate action looking to a thorough and impartial investigation of the case to the end that the unjust sentence may be adjusted to conform to the evidence in the case.

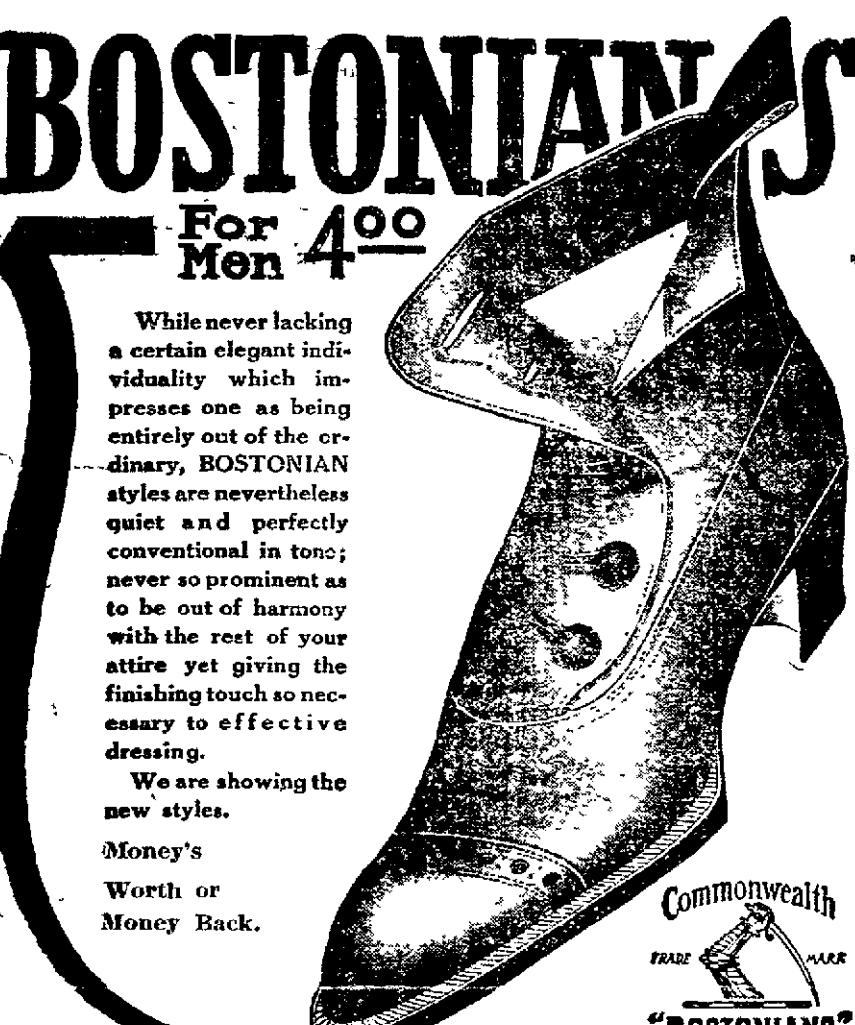

EVIDENCE IN CASE.

In a sworn statement made at Aguascalientes, Mexico, on February 11, before American Consul General Murphy and Mr. Grant Ferguson, conductor of the Mexican Central Railway, C. T. Thurman testified that the papers in publishing an account of the fight in which the Mexican was killed, had erroneously characterized it as a drunken brawl, whereas there was not an intoxicated man in the

4th and Main **STEPHAN** Dept. Store

ent. O'Brien went to the restaurant and I went to the dispatcher's office, and while I was in the office I inquired, "How many times out?" I was, and when I was to get out. Then went down and met Frank Barlow who had had some trouble with the Chinaman, and wanted to borrow my pistol. I said: "No not for me, I don't want to mix up with any trouble of that kind." Then I went upstairs to check register and met Bodfish, and I told him of the trouble Barlow had with the Chinaman. Bodfish and I then went downstairs and stood in front of the bay window talking, when we heard a noise in the restaurant. Then we walked to the window of the restaurant, where I with my back turned to window of restaurant and Bodfish facing window, and saying: "The Americans are fighting O'Brien." Then Bodfish and I went upstairs to the office where Speed was then. Dispatcher Douglas told me I should go out on Speed's run; that Speed was in trouble and could not go. It was then I went with Bodfish to my room and changed my clothes, and got my lantern and badge, which was attached to a light colored felt hat, which I put on in place of the Panama which I had been wearing all evening. Then we returned to the depot, Bodfish going in the restaurant, and I went to the dispatcher's office and reported for orders. It was then that the officers arrived and told me that I was detained and could not go away. It was then that Santiago Cizneros pointed me out as one of those being in the fight.

When the officers took me downstairs, Cizneros also pointed out Bodfish as one of those implicated in the fight, and it was through George Moore that Bodfish was released, when he told him that he had just arrived on the water train.

SPEED'S STATEMENT.

Following is the sworn statement of Conductor Speed, one of the prisoners:

I, W. B. Speed, in presence of Almighty God, do solemnly swear to these facts: I have continuously been confined in Alaqueines prison since July 23, 1906, and during that time the authorities have never provided anything for me in any way, but that as long as my money lasted I paid for my meals, lights, water vases and everything that I received after I had spent what money I had were from the Order of Railway Conductors. Until friends helped me I slept on the damp ground floor without even a blanket, of which thirteen days was in solitary confinement; the judge without giving warning, barred our interpreter from being present at the examination of witnesses, and substituted many others who admitted that they could not give clear translation of evidence in English, and all of them gave up the case on that account, but I was told to sign evidence that I could not possibly understand, and on two occasions I attempted to question the witnesses, and was told by the judge that we would answer all the questions; the judge never allowed me to make a full statement of the case, but only asked such questions as he wished, and he did not write the evidence as it was given, but after having a talk on the case and asking a number of questions, he formulated the evidence to suit himself, and wrote it accordingly. He then read the entire proceedings and asked the interpreter to translate to me by memory all that he told him to, and did not give the interpreter documents to read and translate. He refused to allow my attorney to be present at any time the witnesses were being examined, and would not allow my attorney to read the evidence in the case until some time after December, 1906, although I was seeking an early trial, although the judge reported ready for trial October 15, 1906, and these proceedings being duly entered on the records of his court, he denied having done so when confronted by Stover and myself on the occasion of court inspection, Hon. Manuel Martinez, from San Luis Potosi, the mission of which seemed to be to whitewash the acts of his court, and not to provide necessary means by which I might secure justice, but in his report of the perjured evidence he failed to report the prejudice shown by the judge, Luis G. Gomez. I do claim that justice at the hands of this judge, or at the court of San Luis Potosi, is out of the question, Hon. Manuel Martinez being an associate of the malice of the Court of Alaqueines. On Sunday, October 25, 1906, Stover, Thurman, and myself, made a joint note to the Jefe Politico, and asked for an audience, and when he came to see us we made a complaint that we were being robbed of small amounts of change in nearly every purchase we made, and also our lunches were being robbed of small amounts of change for everything that was being furnished us, we thought, at least, the authorities should protect us from being robbed. On October 30, 1906, a party of friends called on us from Cardenas, and we were only permitted a short interview with them after the most humiliating of circumstances, the judge using for his reason for not granting us the privilege of their company, that we had made

in on any trouble in Mexico." Bodfish said neither he nor Stover were in the house at the time of the killing.

AMERICANS ARE HATED.

Mr. W. B. Speed, being duly sworn, deposes and says:

On the night of July 22, 1906, I entered the restaurant at Cardenas, for the purpose of eating a lunch. I had taken my seat at the counter and was waiting my order when three Mexicans approached me, the leader of whom was the said Angel Oigin, using the vilest language, and abusing me in both Spanish and English, challenging me and other Americans to fight. When he approached me I shook my head and motioned him aside, he immediately thrust his right hand to his hip pocket, as if to draw a weapon. Realizing my perilous position, being seated at the time, I struck him twice with my hand. At this time, Barlow and Webb, who had been seated at my left, engaged in the fight, Barlow with a lamp, and Webb with a stool top. I did not knock the deceased down, nor did I strike him after he was down, but I stopped further attack upon him. Those Mexicans were to me entirely unknown, and there could have been no cause for their actions, other than that we were Americans.

M. D. Smith also testified that Stover was not present when the fight occurred.

STORY OF THE FIGHT.

J. W. Speed made oath to this statement of the case:

I, J. W. Speed, do solemnly swear that I am a law-abiding citizen of the United States, and that I am being held a prisoner on a charge of committing murder on the person of Angel Oigin at Cardenas, on July 22, 1906, and in my behalf I wish to state that on that date I was called to make a run out of Cardenas and to leave Cardenas for the north at 10:30 p.m.; that I went to my carboose and got my lantern and gave instructions to my brakeman. As there was no engineer around to take our run out at that time, I went to the office and notified the dispatcher. I then entered a restaurant, which is situated in the railroad station, for the purpose of eating a lunch, I having been in my room the entire day previous to being called for 10:30 p.m., and being in company of Jim Williams, engineer, at whose house I was rooming, from room to depot, and I being entirely alone from depot to carboose, and to dispatcher's office and to restaurant. When I took a seat in the restaurant there were seated to my left three other Americans, namely, Frank Barlow, conductor; O'Brien, engineer, with whom I was slightly acquainted, and W. L. Webb conductor, whom I did not know by name at that time, and while thus seated awaiting our lunch, there attacked us three Mexicans, the leader, Angel Oigin, now deceased, abusing us as Americans in the vilest language, both in Spanish and English, and challenging us for a fight, and swearing he was there for a fight. Engineer O'Brien told him in Spanish to go away, and here the tallest of his companions, who is said to be Mateo Torres, spoke and said: "No, no," he would not go away. O'Brien told him the Americans did not want any trouble with them, but Mateo Torres backed Oigin up. Angel Oigin confronted me with a challenge to fight. I shook my head and motioned him aside. He thrust his right hand to his hip pocket, as if to draw a weapon on me. I was seated, but turned facing him, and he being very close to me I was in a very poor position to defend myself, but I struck him a blow about the face with my right hand, and failing to knock him away with a fist blow, I struck him two times with my lantern, but failing to knock him away, then Barlow and Webb assailed him, Barlow with a lantern, and Webb with a stool top. I did not use the stool top in the fight, and did not strike deceased after he was knocked down, nor did I knock him down, but I did stop the further attack after he was down, by taking hold of either Barlow or Webb, and saying: "That is enough," and Oigin attacked me when I was in a sitting position. He could have cut or shot me had he been quick enough, as when I started to arise the stool on which I was sitting tilted, and I fell back against the lunch counter. It was in this position I was trying to defend myself when Barlow and Webb interfered and commenced assaulting Oigin. What I did was purely and simply in self defense and feeling entirely justified in what I had done, I made no effort to escape.

V. E. Orozco, a Mexican lawyer, has sent to U. S. Ambassador Thompson, a statement that he has personally investigated the case and has found that Stover is "indeed innocent."

PRISONER SPEED'S APPEAL.

Prisoner Speed has written to Senator Foraker under date of March 24, from Alaqueines, Mex., bitterly assailing the Mexican officials and criticizing the American ambassador for failing to investigate the case. He says his investigation was made wholly through Mexican channels and that he is wholly misinformed. He says, "Mr. and Mrs. Grant Ferguson have been at their own expense for ten days trying to get the judge to pass sentence so we might be moved to San Luis Potosi where we could

A PAYING BUSINESS INVESTMENT.

THE PEOPLES INDEPENDENT COAL COMPANY offers the public an opportunity of sharing the profits earned by safely investing in their reliable coal mine.

This Company is incorporated with a capital stock of \$250,000, all common stock, free from all indebtedness. The mine is located at Fort Hill, Somerset County, Pa., direct on the main line of the Baltimore & Ohio R. R., thus affording unexcelled shipping facilities.

**THE PEOPLES FIRST CHANCE TO OWN
COAL LAND.**

Before this, all coal mining interests have been controlled by bankers and capitalists. They issue stock up to a large amount, and retain at least 60 per cent of said issue. Now, we offer you a chance to invest in a proved, paying coal property, the company controlling which is capitalized on an extremely low basis.

Par value of each share is \$10.00, full paid and non-assessable, but in order to quickly raise money for needed improvements, you can secure shares at \$5.00 each, provided, your order is received at our office, on or before the last day of the current month at noon-time. After that date, the price will positively be advanced to \$7.50 a share.

Write for further information, illustrations, and experts' reports.

**THE PEOPLES INDEPENDENT COAL
COMPANY,**

THE BOARD MET AND ELECTED A NEW PRINCIPAL

OVER SEVENTY APPLICATIONS
WERE RECEIVED FOR THE
POSITION.

New Man Will Succeed Mr. E. P.
Childs, and Comes Most Highly
Recommended.

At the first regular meeting of the board of education this month, held Monday night, Prof. T. Otto Williams of Circleville, O., was elected principal of the Newark high school, receiving the unanimous vote of the members of the board. There were three candidates considered. Mr. Williams, Prof. C. E. Reed of Marietta and Prof. Howard Winters of Ironton.

After much discussion, the name of Prof. Williams was placed in nomination and he was unanimously elected. From Mr. Williams himself, the Advocate has obtained a few points regarding his career as a teacher. This sketch, with Mr. Williams' picture, appears on page 1 today. In all the board had 74 applications for the position.

During the evening, Contractor Debord, one of the bidders on the new high school building, was present and conferred with the board regarding his bond. He stated that he could not furnish a surety bond guaranteeing the completion of the work, but that he was able to furnish a personal bond signed by Newark people. This matter was deferred until Thursday when the board will meet and decide whether to accept the bond.

Mr. McKee, a brick man from Cleveland, addressed the board regarding the merits of the brick manufactured by his firm, the Ohio Brick company. He stated that he could furnish bricks for use in the construction of the building which would match perfectly the brick used in the old building. He will meet the board at their Thursday meeting when the matter will be decided.

Architect Redding of Mansfield was present and discussed the heating plans again with the members of the board. He had a number of drawings with him which were explained in detail to the board.

do away with this difficulty.

The superintendent was authorized to purchase a copy of "Etna and Kirkersville" for the school library. Prof. Simkins asked permission to go to northwest Ohio Friday where he has been selected to act as judge in an oratorical contest. He was granted the permission.

Secretary Keller stated that he wished to resign from the board of school examiners, stating that he did not believe that a member of the board should serve as an examiner. His resignation was accepted and the vacancy will be filled at another meeting.

The clerk read the levy for school purposes as follows:

	MILLS.
For tuition	6
For contingent fund	2½
For buildings	1
For sinking fund	1½

Making a total of 11. On motion of Mr. Haight the levy was adopted, all voting for the levy excepting Mr. Christian, who did not vote on the measure.

Clerk Keller submitted his financial statement for the month and added that no bids had been received in reply to his advertisement. A motion was adopted to require the treasurer to give an additional bond of \$25,000, which increased his bond to \$50,000.

Miss Ruby Jones, a high school teacher, was granted a leave of absence from June 3 for the balance of the school year. She will take a trip to Europe.

A Hard Debt to Pay.

"I owe a debt of gratitude that can never be paid off," writes G. S. Clark of Westfield, Iowa, "for my rescue from death, by Dr. King's New Discovery. Both lungs were so seriously affected that death seemed imminent when I commenced taking New Discovery. The ominous dry hacking cough quit before the first bottle was used, and two more bottles made a complete cure." Nothing has ever equaled New Discovery for coughs, colds and all throat and lung complaints. Guaranteed by F. D. Hall, druggist. 50¢ and \$1.00. Trial bottle free.

FLORENCE M. KING

Presents "Naval Engagements," May 17—A Society Comedy With Well-Known Newark Cast.

The "Naval Engagements" is a beautiful society comedy in two acts to be presented at Taylor Hall, May 17, under the auspices of the Young Men's Christian Association. The cast is composed of well-known and popular Newark people.

The fact that Miss Florence M. King is directing the play is sufficient guarantee that it will be a success. Those who saw the play presented by her last May in Taylor Hall will welcome another chance to view her work.

Miss King has graciously consented as have the cast, to present the play for the benefit of Taylor Hall which will be repaired this summer.

Both the cast and the cause should make a large house certain. Tickets will be on sale at the Y. M. C. A. the last of the week. Following is the cast and program:

A FARCE
By Charles Dance.
Admiral Kingston, R. N.
Mr. Edward King
Lieut. Kingston, R. N. (his son)
Mr. J. Howard Jones

be looked after by Americans as this is 20 miles from a railway.

* * * What Stover and I want is for the case to be laid before President Diaz. We have faith in him. As a law-abiding American citizen, the father of four small children dependent upon me and the husband of a noble American woman, I appeal to you and my fellow-countrymen to use your kind offices to the end that Stover and I shall receive justice.

On March 8, Judge Gomez called Stover and myself into court and served notice that ten days hence we would receive sentence. He failed to keep his word.

STOVER WRITES A LETTER.

Prisoner Stover also sends to Senators Foraker and Dick a personal appeal. Stover says he is a native of Ohio, was educated at Brookfield (Mo.) College, and has followed railroading since 1888. He says Judge Gomez has said that if he could get the murderers of Orlin extradited from the United States he would release him and Speed.

SENTENCED WITHOUT TRIAL.

Under date of April 3, Mr. Ferguson wrote to Senator Foraker telling of his visit to the prison:

"We found the men destitute and suffering from want of food and clothes. The prisoners are the only two Americans in that town of 5,000 people. During our stay there (Alaques) Mrs. Ferguson did not go on the street unless I accompanied her, the hatred being so strong against Americans that they are not safe."

Judge Gomez did not keep his promise to us in any one instance. * * * The men were confined in an 8x10 cell. Hell has no terror for a man who is incarcerated in Alaques prison. Since August 30 the Railway Conductors have paid for the keeping of these two men, even paying for the water they drank. The Mexican government has not given one cent. * * * On March 28 Judge Gomez sentenced Speed and Stover to 15 years 2 months and 12 days each in the penitentiary at San Luis Potosi. * * * These men have had no trial.

In the interest of your family, friends and pocket book, let us send you our exquisitely illustrated Piano Book, 24 pages in color and brim full of interesting and useful piano information—sent absolutely free on request.

COURT HOUSE NEWS

Suit has been commenced in the Probate court by Dr. W. E. Wiyarch against H. H. and Emzie M. Lamp and Barbara E. Wiyarch for the petition of the estate of the late James H. Wiyarch. The petition asks for the partition of the homestead and three lots on West Main street. Russell & Horner are the attorneys for the plaintiff.

Habitual Truant.

Samuel Sherrard was brought before the Juvenile court Tuesday on the charge of habitual truancy preferred by Truant Officer D. J. Jones. He is a boy about 12 years old and lives in the East End. His father was recently discharged from the insane asylum at Columbus. The boy was going to school about one quarter of his time, and was under a suspended sentence imposed by Judge Irvine two years ago, to the Boys' Industrial school at Lancaster. Judge Brister decided to give the boy one more opportunity and give him a suspended sentence to the Boys' Industrial school with the strict understanding that if he plays truant he will be sent down to Lancaster.

STOVER WRITES A LETTER.
Prisoner Stover also sends to Senators Foraker and Dick a personal appeal. Stover says he is a native of Ohio, was educated at Brookfield (Mo.) College, and has followed railroading since 1888. He says Judge Gomez has said that if he could get the murderers of Orlin extradited from the United States he would release him and Speed.

A Very Sad Case.
A very sad case was developed in the Juvenile court Tuesday morning.

A boy named Oscar Fureagle of the East End, aged 16, was brought into the Juvenile court Tuesday morning by an officer, charged with vagrancy and disorderly conduct. His principal offense was in sleeping in the kiln in the Pratt-Kirk company's planing mill, in the East End, striking matches, putting the entire establishment in danger of destruction by fire. The boy, who was in a very wretched condition, his clothes being ragged and torn, blamed his father. He said he was working at the Heise glass works for \$1.20 per day, and that his father drew his wages. He says he was discharged for some violation of the rules and was afraid to go home and had been sleeping in the kiln. The case was continued until 9 o'clock Wednesday morning in order that the court may obtain additional evidence.

Suit For Divorce.
Annie McFarland has commenced suit in the Probate court for divorce from her husband, George S. McFarland. The parties were married August 23, 1893, and two children were born of the marriage. For cause of action the plaintiff charges her husband with habitual drunkenness for the past three years gross neglect of duty, failure to provide her and the children with proper clothing and food, and a home in which to live

The defendant is also charged with drunkenness. J. V. Hilliard, attorney for the plaintiff.

The County Commissioners went up to Hartford township Monday to inspect the bridges of that township.

Real Estate Transfers.
Daniel R. Jones to David R. Harriman, real estate in Newark township, \$1 and other valuable consideration.

John I. Mahon and wife to Lewis A. Nunn, lot 577 in the Washmore addition to Utica, \$100.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. A great many doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and that for a constitutional constitutional treatment "Catarach Cure" manufactured by F. J. CHENEY & CO., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood vessels and various surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

The French are more careful than Americans in making cider. In Bordeaux 80 kinds of apples are grown, but only 12 of these are used for making cider. No green, decayed or worm-eaten apples are ever used.

Mrs. Sol Smith was 77 years old on March 19, and she is still playing on the stage. She is in England with the Sothern-Marlowe company.

Seven battalions of Turkish troops were practically annihilated during a battle with rebels in the province of Yemen, Turkish, Arabia.

GOT HIS HAIR BACK.
Was Perfectly Bald When He Started to Use Newbro's Herpicide.

Frederick Manuel, Maryland boy, Butte, Montana, bought a bottle of Newbro's Herpicide April 6, '99 and began to use it for getting rid of bald patches in his scalp. He had hair all over his head 20 days he had hair all over his head. On July 2 he writes, "and today my hair is as thick and luxuriant as any one could wish." Newbro's Herpicide works on an old principle and with a few discoveries—destroy the catarrh and you remove the effect. Herpicide is over the germ that causes dandruff falling hair, and finally baldness, so that the catarrh goes the effect, causing a new skin to grow over the scalp and a new hair starts. Sold by leading druggists. Send 10c in stamps to The Herpicide Co., Detroit, Mich.

KENTUCKY FEUD.
Middlesboro, Ky., May 7.—John Howard and Eliphael Howard, brothers, were killed, and George Green and Martin Green, brothers, were fatally wounded in a pitched battle on Sugar Run creek last night.

The average yield of an olive tree is two bushels, which give two gallons of oil.

IT'S YOUR KIDNEYS.

Don't Mistake the Cause of Your Troubles—A Newark Citizen Shows How to Cure Them.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back, they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It cures all ills which are caused by weak or diseased kidneys. Newark people testify to permanent cures.

Charles W. Cooper, employed at George Hermann's clothing store and living at 223 Hoover street, Newark, Ohio, says:

"Backache distressed me continually for a long time. There was a dull aching in the loins and my back was very weak. Besides this I had trouble with the kidney secretions which were irregular and disturbed my sleep at night. I was usually just as tired in the morning as when I went to bed. Nothing I could get seemed to help any until I began using Doan's Kidney Pills, procured at Clayton's drug store. I had heard a great deal about the wonderful action of this remedy on the kidneys and bladder, but I was greatly surprised by the quick effect in my case.

I improved rapidly under the treatment until the pain in the back ceased and the action of the kidneys became natural. A few boxes made a complete cure."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buena, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

When the ancient Romans conquered north-western Europe their captives revealed the healing, beautifying powers of the waters of Aachen (Aix-la-Chapelle), Germany, as the greatest gift of the gods.

The healing, beautifying effects of Veroform Toilet Soap, in which are embodied the salts of Aachen's Waters, reveal this soap as the greatest gift of science in the realm of toilet luxuries.

veroform toilet soap

imparts a lingering sensation of restfulness and the enduring bloom of health.

It makes the skin delicately soft and delightfully smooth, and brings the fresh and glowing complexion which Nature intended should be the heritage of every woman.

The most exquisite toilet soap that ever was made, even if it had no medicinal value.

The most effective medicinal soap that ever was made, even if it had no special merits for the daily toilet.

Received the Gold Medal and a special award, the Cross of Honor, at the Health Exposition, Berlin, 1904; Prize Medal, Lutjich, 1905; Grand Medal for Progress, Vienna, 1906.

Sold at the Leading Stores

Relieved and Elated.

Only those who have suffered from kidney or bladder trouble can appreciate what a relief it is to at last find a remedy that will restore them to health and strength again.

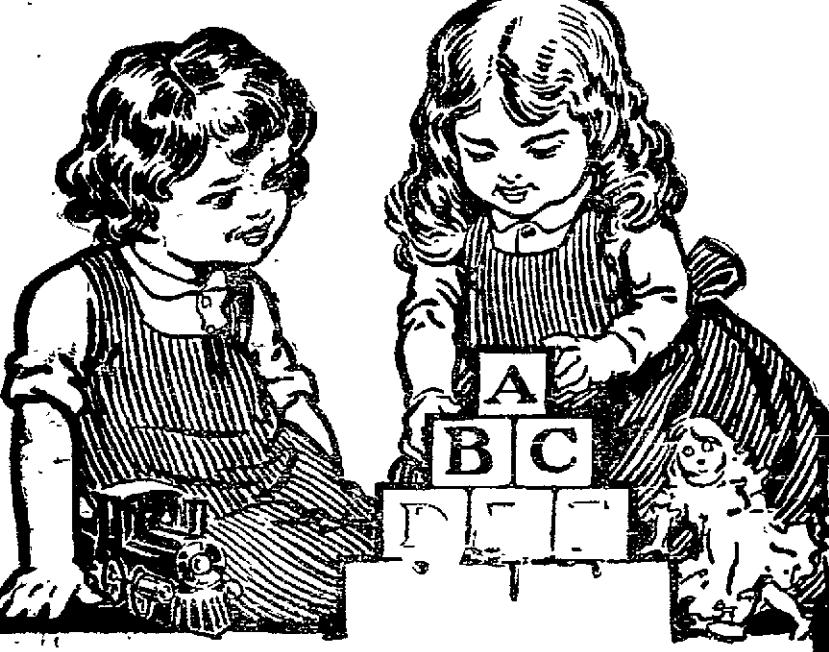

If you have kidney or bladder trouble in any form you will readily understand Dr. Moore's attitude. Read his letter:

Gentlemen—I have been troubled with Diabetes, and standing by the dental chair all day, by night my feet would become so numb that it was difficult to walk. I used fifty kinds of medicines and remedies without relief. A friend gave me a sample box of Lantz's Red Kidney Pilllets and they gave such marked relief that I have purchased four boxes, and will continue to use them the full time as you advertise. I am so relieved and elated, that I shall recommend them

Cleanse Your Kidneys With Lantz's Red Kidney Pilllets.

If you have never used these Pilllets, we will gladly give you a two days trial treatment free.

Bar Sickness From the Nursery

Keep the children well!

The best way to insure their health is to prevent the attacks of illness to which they are most subject.

You can guard them against attacks of sickness by fortifying them with the oldest and most reliable medicine and tonic known—

DR. D. JAYNE'S TONIC VERMIFUGE

A Safe Worm Cure

A large percentage of children have worms. A very large proportion of children's ills are directly due to this cause, and to the weakening effect of worms on the child's frail system.

JAYNE'S TONIC VERMIFUGE has for over four generations successfully expelled worms and kept children strong and healthy. This long-tried worm-cure and child's tonic is the best medicine you can possibly give your children, and the best way you can insure their health. Per bottle, 35c. and 50c.

JAYNE'S EXPECTORANT has been a reliable cure for Croup, Whooping Cough, Coughs, Colds, Bronchitis and other lung troubles for 77 years.

NEWARK MAY GET INFILDER MURRAY FROM INDIANAPOLIS

Information Leaked Out Today That Berryhill Will Try to Get the Fast Indianapolis Man—Frank Gagli Joined Team Last Night and Went to New Castle.

Steps may be taken to further strengthen the Newark infield, according to information which has leaked out since Sunday night. It is known that the club officials through Manager Berryhill are negotiating with the Indianapolis club for the services of Infilder Murray.

After the game Sunday there was a general feeling on the part of the directors that the club should be strengthened and negotiations were started at once. Through an outsider, the deal whereby Frank Gagli comes to Newark, was framed up and Gagli arrived Monday night in time to leave with the team for New Castle.

Gagli arrived on the interurban at 7:40, bag and baggage. He went to the cigar emporium on the North side where he shook hands with the bunch, and then went out to get a lunch before leaving on the long trip.

Gagli is looking fine and will no doubt strengthen the team to a considerable extent. First Baseman Jim Pierce was released yesterday afternoon and drew his pay from Treasurer Hopkins. Pierce's release came as a surprise to him as the negotiations for Gagli had been carried on so quietly that but few of the players knew that he was being thought of. At Lancaster, Gagli was being held as a utility fielder. Servations, secured from Columbus, naming him out of his first base position. Gagli is a good fielder, but not as good a hitter as

would be desired. He batted .209 last season, not quite as well as Drake and Davis and others. However, he will probably play better than Pierce.

Infilder Murray, another candidate for the Newark infield, is well known to the Newark fans. He has been under contract with Indianapolis for two years, but has not seen active service. Last winter Manager Berryhill tried to arrange for Murray's release, but President Watkins did not care to let him get away, as he did not know what might develop before the opening of the season.

Hopke was an uncertain quantity and his other candidate was not just what he desired.

Murray never reported at Indianapolis this season, as both third base candidates showed up well there. He was anxious to sign with Berryhill at the time, but could get no satisfaction from the Indianapolis club.

In case Murray is secured, he will probably be played at second and Haval will be switched to shortstop. This means, of course, that either Davis or Smith will probably be released.

Many of the fans will regret to see Danny Davis left out, if he happens to be the unfortunate one, but at that Davis has not been playing the game so quietly that but few of the players knew that he was being thought of. At Lancaster, Gagli was being held as a utility fielder. Servations, secured from Columbus, naming him out of his first base position. Gagli is a good fielder, but not as good a hitter as

NEWARK MAY NOT OPEN AT NEW CASTLE 'TILL THURSDAY AFTERNOON

(By O.-P. News Ass'n.)

New Castle, May 7.—A heavy rain which has been falling since last night makes it necessary to postpone the opening of the season here, which was scheduled to take place today. The condition of the ground is such that the opening may be postponed until Thursday. The Newark team arrived in New Castle at an early hour this morning in good shape and the men

are comfortably located in a local hotel. First Baseman Frank Gagli was with the team and greeted the members of the Nocks with whom he was acquainted last season.

The New Castle team is in good condition and all that is necessary for a grand opening is the charity of the weather man. Manager Bob Berryhill is in full charge of the team.

Newark, who will now be the Nocks regular first sacker.

MARION MAYOR RESIGNS FROM CHURCH BOARD

WARRANTS OUT FOR PLAYERS

Marion Men Who Played Sunday Against Sharon Will Be Arrested on Return Home.

(Special Telegram.)

Marion, O., May 7.—Warrants were sworn out here this morning for the arrest of nine Marion players who took part in the game Sunday against Sharon. The warrants were filed before Mayor Scherff. His honor is a member of the M. E. church here and on account of the severe criticisms of the preachers, has resigned as a member of the official board of the M. E. church. The team left for Akron early in the evening, but will be arrested on their return.

SUNDAY GAMES TRANSFERRED.

(Special Telegram.)

Mansfield, Ohio, May 7.—It was announced here today that all effort to play Sunday ball in Mansfield would be dropped. All Sunday games scheduled at Mansfield will be played at Reeves Park, between Postoria and Findlay on the tractions lines. Manager McVey released Cache Armstrong of Cleveland before starting on the Youngstown trip.

SHARON GAME IS OFF.

(Special Telegram.)

Sharon, Pa., May 7.—On account of the heavy rainfall here last night and today, the opening game with Lancaster has been postponed and it is possible that the season will not be opened until Thursday. Both teams are in the city ready for the game when the weather man permits it.

SHATTNER A FIXTURE.

(Special Telegram.)

New Castle, Pa., May 7.—Manager Smith today released First Baseman Thomas Feeney. He was a candidate against Ed Shattner, formerly of

Monday night's performance at the Orpheum was good in every respect. The opening act Farley and Leroy contained some excellent songs and clever repartee. This team will soon leave the Orpheum circuit to make a tour of the Tony Pastor theaters, the finest in the country. They certainly deserved the applause and encore given them last night. Moreland and Leigh, blackface singers and dancers had two good songs and a funny dance. Fanny Donovan is an attractive and clever little woman and kept her hearers in laughter during her entire act. Her song "The Man Behind" composed by herself, was the hit of the evening, and called for repeated encores. Cole and Coleman have one of the funniest musical novelty turns seen on the Orpheum stage for many months. Cole is a comedian of the first water and his imitation of band directing is the acme of comedy. Miss Coleman is an artist with the different instruments and their act was supplemented by numerous encores. Miss Place sings a song that is much better than her effort of last week.

Croup, Coughs

Bronchitis, Colds, Asthma, Catarrh, Whooping Cough

yield quickly and readily to the soothing, curative and antiseptic treatment of vaporized

Varoma

"THE BREATH OF LIFE"

The prompt use of Varoma in all lung and throat troubles insures strengthening sleep for the sufferer. Every breath of its health-giving vapor is a breath of life for the patient.

Sold at drug stores generally. Send postal for descriptive pamphlet. C. N. CRITTENDEN CO., Sole Agents, New York.

TUESDAY, MAY 7, 1907.

STANDING OF ADVOCATE CONTESTANTS

The new contestant in District No. 5, Miss Mame Bentz, whose name was announced Monday, received 1008 votes on the first day in the Advocate's Jamestown contest.

Monday's vote, 10,035, brings the total to 128,194, with the vote rather evenly divided among the 30 contestants.

In District No. 7, Miss Willey advances from fourth to second place, but the relative position of the other candidates remains unchanged. In the Sixth district Miss Seward makes a gain and is not far behind Miss Young. Miss Emery also increased her vote materially, as did Miss McInturf and Miss McMillan.

CINCINNATI DOCTOR DIES ON TRAIN

Montgomery, Ala., May 7.—Dr. George Collins, a young physician of Cincinnati, on his way to that city to be married, died in a Pullman car of a northbound train at the Union station here. He had been to Florida for his health and was returning north in company with Mr. Stock, father of the young woman whom he was to wed this week. His body will be held here for instructions from his brother, who resides in Flemingsburg, Ky.

SUMMIT STATION SCHOOL NOTES.

The last Lima Township O. T. R. C. meeting for the present year was held Saturday afternoon, April 27th. Many interesting and helpful meetings have been held by the Circle during the last two years. This year's work showed an increased attendance and interest. The following readers from Lima township having completed the work are entitled to diplomas: E. T. Osborn, Reed S. Johnson, Sada Henckel, Pearl Patrick, Lucy Longstreth, and Manda Buckingham.

Prof. E. T. Osborn, Arthur Roshon, and Maude Buckingham attended the Gahanna commencement Friday evening.

All the pupils enrolled in the High school this year, with one exception, are still attending school.

While Mr. Good, the photographer, was here Monday, he took the picture of the school.

Work on the new school house is progressing very well, considering the bad weather.

Over ninety pupils enrolled in the three departments this year. Prospects are good for several over the hundred mark next year.

DAVID T. COLE DROPPED DEAD AT HIS HOME

VETERAN AUCTIONEER AND PAWNBROKER ANSWERS SUMMONS

Died in His Son's Arms Monday Night
—Mrs. Julius J. D. McNamar Is Dead.

Mr. David T. Cole, the old time auctioneer, and good citizen, who did business at 51 South Front street, dropped dead at his residence at midnight Monday. This comes as a sad blow to his friends and family.

Mr. Cole's death was caused by heart trouble, which had been bothering him for some time, but it was not thought to be serious. In fact, all day Monday he was in unusually good health and spirits, and had been out visiting with his neighbors an hour before his demise.

He was in the act of retiring, and was notified by his son, Clement, to stagger, then fall, and as he was being carried to the bed, died in his son's arms.

Mr. Cole was 72 years old, born at Lisbon, Columbiana county, and as an auctioneer and business man was a familiar figure along Second street for the past 35 years, and was known all over this country, which he had extensively traveled, as the "Silver Tongued Auctioneer."

He was an extremely liberal man, ever ready to help the deserving in their distress, and many people whom he had helped will surely miss him.

Mr. Cole was member of Newark Lodge, 623, of Odd Fellows, Mt. Olive Encampment, Royal Arcanum, of which he was chaplain, and an active member of the Newark Board of Trade. He was always to the front when work for the public was to be done.

Mr. Cole was a schoolmate of the late Senator Marcus L. Hanna, and always had a fund of good stories to relate about their early days.

There survive Mr. Cole, his wife and son Roy, who are now both in California, Clement Cole and Charles Cole, who have the sincere sympathy of every one in their bereavement.

Other relatives of the deceased are two brothers, John and Jeremiah and two sisters, Mrs. Mary Christie and Miss Susan Cole of Lisbon, and one sister, Mrs. Lucretia Ayers of Winton, Iowa.

At this writing the funeral arrangements have not been completed, but will be announced in these columns later.

MRS. J. J. D. MCNAMAR.

The wife of Julius J. D. McNamar died Monday night at 11:30 p. m. at the family residence, 124 West Main street. Mrs. McNamar had been confined to her bed for the past two months, so the end was not unexpected. She was born in Nashville, Tenn., where she was united in marriage to Julius J. D. McNamar in 1891 and is survived by her husband and three children. John Doe, aged 12, Elizabeth, aged 10, and Albert, aged 7. The funeral will be held Thursday from St. Francis de Sales church.

LENA MAY PICKETT.

Lena May Pickett, daughter of Mr. and Mrs. Maurice Pickett, was born May 26, 1893, died May 6, 1907, after a lingering illness of tuberculosis.

She was aged 13 years, 11 months and 10 days. She leaves three sisters and two brothers. Funeral services will be held at Bowling Green church tomorrow at 2 p. m. sun time, Rev. Mr. Locke officiating.

HARVEY CHRISMAN.

Lock, May 7.—Mr. Harvey Chrisman, a well known farmer, died very suddenly at the home of his daughter, Mrs. Edward Coe, one mile from here Sunday afternoon about 3 o'clock.

He had been very ill for some months of stomach trouble, but his death was quite unexpected. He and his wife, who is totally blind, were staying at the Coe home. Sunday

Food For The Growing Child

Whole-Grain Preparations Declared of Greatest Value In Development of Body and Mind.

"The growing child especially needs those elements that are found in whole grain preparations," says the writer of the "American article on 'The Best Foods for Growing Children.'

Malta-Vita is the perfect whole

wheat food, rich in every nutritive

element demanded by the body of the

child, and just as healthful and

strengthening for the child's parents

and older sisters and brothers. Being

a pure grain product, Malta-Vita

is whole of the best white wheat and a

little salt, mixed with pure barley

malt extract—Malta-Vita supplies the

body with all those food elements which make bone, blood, muscle and brain

and brain power healthy.

The malt extract is added after the

wheat has been thoroughly cooked and

steamed and converts the starch of the

wheat into maltose, or malt sugar,

which is highly nutritious and easily

digested, giving energy and strength.

Physicians recommend maltose for its strength-giving qualities and

Malta-Vita is rich in it. After being

treated with the malt extract, the

wheat is reduced to little water flakes,

which are to the eye, taste and texture

as thin and brown, delicious beyond de-

scription. All grocers, now 10 cents.

afternoon Mr. Chrisman was sitting in the house talking to the family. He got up and started into his bedroom, and a few minutes later he was heard to fall to the floor. He was picked up and laid on the bed, but he had already died.

Mr. Chrisman was 79 years of age.

Several months ago Mr. Chrisman selected his pall-bearers, knowing that he had but a short time to live.

The funeral was held at 10 o'clock Tuesday morning from the residence of Mr. Ed Coe, and burial was made in the Lock cemetery.

A CHILD'S DEATH.

Dorothy Miller Eagle the three year old daughter of Mr. and Mrs. Charles Eagle, died Monday evening at the parents' home, 131 Hoover street, of pneumonia. Funeral Wednesday morning at 11 o'clock.

Appendicitis

Is due in a large measure to abuse of the bowels, by employing drastic purgatives. To avoid all danger, use only Dr. King's New Life Pills, the safe gentle cleansers and invigorators. Guaranteed to cure headache, biliousness, malaria and jaundice at F. D. Hall's drug store. 25¢.

Screen doors and window screens, at NEWARK HARDWARE CO., successors to W. L. Whitecap, 23 West Main street.

NOTHING TOO GOOD FOR LOCAL READERS

Nothing is too good for readers of the Advocate and with this thought in mind, this paper has just appointed forty more special correspondents at prominent Ohio towns with instructions to telegraph this paper all of the latest news of their respective cities. Within the past few days the Advocate has secured a special correspondent in each of the cities comprising the Ohio-Pennsylvania baseball league and has issued instructions to send by wire all of the live sport news of the league.

This additional corps of correspondents working in conjunction with the staff of Advocate correspondents throughout the county and adjoining counties, at Columbus, and at Washington, supplemented by the Scripps-McRea Press Association telegraph service, will give this paper a telegraph service unsurpassed in any city of this size in Ohio.

Other relatives of the deceased are two brothers, John and Jeremiah and two sisters, Mrs. Mary Christie and Miss Susan Cole of Lisbon, and one sister, Mrs. Lucretia Ayers of Winton, Iowa.

At this writing the funeral arrangements have not been completed, but will be announced in these columns later.

MRS. J. J. D. MCNAMAR.

The wife of Julius J. D. McNamar died Monday night at 11:30 p. m. at the family residence, 124 West Main street. Mrs. McNamar had been confined to her bed for the past two months, so the end was not unexpected. She was born in Nashville, Tenn., where she was united in marriage to Julius J. D. McNamar in 1891 and is survived by her husband and three children. John Doe, aged 12, Elizabeth, aged 10, and Albert, aged 7. The funeral will be held Thursday from St. Francis de Sales church.

LENA MAY PICKETT.

Lena May Pickett, daughter of Mr. and Mrs. Maurice Pickett, was born May 26, 1893, died May 6, 1907, after a lingering illness of tuberculosis.

She was aged 13 years, 11 months and 10 days. She leaves three sisters and two brothers. Funeral services will be held at Bowling Green church tomorrow at 2 p. m. sun time, Rev. Mr. Locke officiating.

HARVEY CHRISMAN.

Lock, May 7.—Mr. Harvey Chrisman, a well known farmer, died very suddenly at the home of his daughter, Mrs. Edward Coe, one mile from here Sunday afternoon about 3 o'clock.

He had been very ill for some months of stomach trouble, but his death was quite unexpected. He and his wife, who is totally blind, were staying at the Coe home. Sunday

IAN MACLAREN AUTHOR OF BONNIE-BRIAR BUSH DEAD OF BLOOD POISON

Madrid, May 7.—It was semi-officially announced that the accouchement of Queen Victoria may be expected the end of May. This announcement was subsequently contradicted by Dr. Gutierrez, the specialist, who is in permanent attendance at the palace, who declared that the royal baby should have arrived before this.

There was much surprised comment at the discrepancy in these statements. The newspapers demand that some one be made to answer for this ridiculous mistake, which has kept the nation on the tip-toe of needless excitement and entailed many premature preparations.

LONG'S (Of Course.)

STEWART BROS. LOSERS

Fire Does Much Damage to Furniture Stored in Columbus North Side Warehouse.

Columbus, May 7—Fire caused a loss of \$5,200 in the warehouse of the Stewart Brothers & Alward Co., West Market Place, shortly before 5 o'clock yesterday afternoon.

When the firemen reached the scene flames were bursting from the rear of the building. However the fire was soon brought under control and extinguished. The damage is placed at \$12,000 on the building and about \$4,000 on the contents, insurance is said to cover the damage.

The building is a three story brick structure, and the fire was discovered on the second floor by an employee, Gardner Earl.

The firm has a branch store in Newark.
